task 2

huawei-pura70-ultra

The wait is over and Huawei Pura 70 Ultra – the top-end member of the flagship Pura 70 series is finally amid consumers with many interesting features and specifications. It's time to check this product's new and exciting segments in detail. So let's begin the exploration of the Huawei Pura 70 Ultra specifications.

Highlight features

- Starburst pattern design
- XD Motion optical engine
- 1-inch main camera sensor
- 3.5x super macro zoom

1. Design: Huawei Pura 70 Ultra shines in four outstanding colors – Chanson Green, Mocha Brown, Starburst White, and Starburst Black. The company has crafted the device with a starburst pattern design, giving an embroidery feel in soft elegant colors.
2. Huawei Pura 70 Ultra sports a 50MP 1-inch super-concentrated retractable primary shooter (f/1.6-f/4.0 aperture) with anti-shake facility, a 40MP ultra-wide-angle lens (f/2.2), and a 50MP super-concentrated macro telephoto camera (f/2.1, OIS) which supports autofocus for clear and vibrant close-up shots
